ECD DRIVETRAIN

What has given E.C.D. its reputation over the years more than the British/American twist? Choose our GM performance LT1 engine with 8 speed automatic transmission for a high performance daily vehicle that has the sounds and smells you would expect from a fast road vehicle. The classic Jaguar engine can be retained with a 5 speed manual for those who wish for the vehicle to be a true classic.

JAGUAR V12

Age appropriate Jaguar engine relevant to the mark, inline 6 cylinder or V12. Classic sounds and performance, will require higher ongoing maintenance.

GM V8

450hp LT1 GM Performance drivetrain with 8 speed automatic transmission. Superb modern performance and ease of maintenance.
