BRAND NEW
MUSCLE CAR
TULSA, OK

FORD MUSTANG.

The latest product in the E.C.D.
stable, the Iconic Ford Mustang

Through partnership with a fully licensed
builder of brand new classic Mustangs,
E.C.D. Auto Design will offer The Fastback
as well as The Convertible Mustangs, hand
built to E.C.D. standards.

THE FASTBACK.

1967 - 1968

It doesn't get more iconic. Pick your model year from between 1967-1968 and let the E.C.D. team craft a one of one version to your exact specifications. Available in automatic or optional manual transmission, fitted with a powerful Roush Performance V8 engine.

THE CONVERTIBLE.

1967 - 1968

Just as iconic as its Fast Back sibling, the Convertible ECD Mustang, is designed to bring all the thrills, while providing an unparalleled open air driving experience.
